TAO

Item 531

ECE R44/04 - Group 1/2/3, 9-36 kg (approx. 9 months up to 12 years)

MADEinITALY

Car seat with 10 adjustable headrest positions (18 cm stroke). It grows with the child

Quick removable cover

with double padding over the whole surface, washable at 30°C

Plastic harness-guide elements

for Group 2 (from 15 to 25 kg) and Group 3 (from 25 to 36 kg)

Deep, softly padded side wings

provide good Side Impact Protection

Extra-long performance chest and belly pads

reduce the child's forward movement in the event of an impact

5-point safety harness

with central and frontal adjustment system, adjustable in 2 height positions for Group 1 (from 9 to 18 kg)

Large inner seat

will fit the child for longer time

Padded headrest adjustable

to 10 height positions (18 cm stroke) for extra protection of head and back of neck

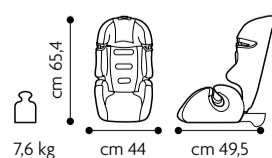

Concealed spacer fixed to the seat

to adjust the angle between the seat and backrest, in line with the inclination of the seat of the car (approx. 6-7 cm)

Anchorage system

by the 3 point belt of the car
