

OVO Twin

New style

Item 781

0m+

UV 50+

OEKO-TEX® certified fabrics

Born to simplify life.
Maximum flexibility and practicality

The fabrics of OVO TWIN are now certified OEKO-TEX®, to guarantee baby's safety and environmental protection. These fabrics also offer protection from UV rays.

Ideal for brothers of different ages, it avails of extra (space saving) carrycots and car seats besides the stroller seats, to suit all requirements. It offers 25 different configurations. Strollers are reversible, both parents and street facing. Kids can seat one after the other or face to face. The handle is telescopic and adjustable. It folds quickly and compact.

Both carrycots and car seats are optional

Twin stroller

The twin with the leverage effect, easy to manoeuvre

thanks to the ball bearings, suspensions and the telescopic handle

Large UV 50+ treated hood
with window, that turns into sunshade thanks to a practical zip
